Introducing New Body Products To MONDAY's Range: Launching In The UK Early 2026

Following MONDAY Haircare's incredible success in the hair category and the strong reception of its Body Care range in the US, the brand is now bringing its newest category to the UK for the very first time. This marks a major milestone for MONDAY, expanding its signature self-care experience beyond hair and into full-body care. With this launch, MONDAY continues to solidify its position as a leader in accessible luxury beauty—bringing its award-winning formulas, luxury aesthetic, and cult-favourite status to even more bathroom shelves across the UK.

The best-selling MOISTURE Body Wash is now available in Fresh Gardenia (MONDAY's fan favourite), Vanilla Glaze, and Peaches & Cream. This creamy body wash is infused with Hyaluronic Acid to support deep hydration and preserve the skin barrier. The rich, dense lather gently cleanses while humectants help maintain moisture balance, leaving skin soft, smooth, and refreshed long after you rinse. Made for all skin types in mind.

'With the launch of our new MONDAY Body Wash, Whipped Body Wash, and Exfoliating Scrub, we're making MONDAY not just about having good hair—it's about feeling good all around,' says Jaimee Lupton. 'I'm so excited for our body care products to be out in the world and in people's hands.' As for a personal favourite, Lupton shares, 'The MOISTURE Whipped Body Wash is a fun and playful addition to my self-care routine—I use it every time I get in the shower. I also use the EXFOLIATING Body Scrub twice a week for a deep cleanse that makes me feel totally brand new.'

Designed for all skin types, the MOISTURE Whipped Body Wash delivers an ultra-nourishing cleanse powered by a high-performance blend of skincare-grade ingredients. Formulated with Hyaluronic Acid to lock in moisture, and Shea Butter and Coconut Oil to soften and replenish, this fruity-scented whipped formula transforms your daily shower into a moment of restorative self-care. The rich, whipped foam melts into a creamy, silky lather that rinses clean with no residue. Skin is left soft, hydrated, and refreshed. Available in three delicious scents: Fresh Gardenia, Peaches & Cream, and Vanilla Glaze.

The EXFOLIATING Body Scrub is a twice-weekly physical exfoliant designed to buff away dead skin cells and reveal a fresher, healthier-looking glow, all while enveloping you in a delicious scent. Formulated with Shea Butter, Coconut Oil, and other skin-loving ingredients, this creamy, lightweight scrub spreads easily, rinses clean with no residue and helps improve skin texture without stripping moisture.

Available in three delicious scents: Fresh Gardenia, Peaches & Cream, and Vanilla Glaze.
