

A woman with long, dark, wavy hair is the central figure. She is wearing a light yellow, short-sleeved top with a subtle pleated or ribbed texture. Her right hand is raised, with her fingers gently touching her cheek and hair. Her left arm is extended across the bottom of the frame, with her hand resting on a surface. She is looking off to the side with a soft, contemplative expression. The background is a solid, vibrant pink. The overall lighting is soft and even, highlighting the texture of her hair and clothing.

MONDAY Haircare Expands Award-Winning Range With New VOLUME Texturising Mousse

MONDAY Haircare, the beauty brand hailed as 'a global phenomenon,' 'cult favourite,' and 'a coup in the beauty industry,' is thrilled to announce the latest addition to its award-winning haircare range: VOLUME Texturising Mousse.

MONDAY Haircare's VOLUME Texturising Mousse is a Collagen-infused, weightless styling foam that delivers instant lift, definition, and body - all without the crunch. Designed to enhance natural waves and curls, this airy mousse creates a flexible, long-lasting hold with a soft, natural finish. Infused with Hydrolysed Collagen to help boost strength and elasticity, hair is left full, bouncy, and beautifully smooth. Suitable for fine, flat, or limp hair that needs a boost, adding shape and movement while supporting hair health with every use.

Perfect for use on damp or dry hair, the VOLUME Texturising Mousse is ideal for building lift at the roots or adding shape and texture through the lengths. Whether you're going for tousled beach waves, a voluminous blowout, or a sleek style that holds all day, this lightweight formula provides full control without stickiness or residue. Lightweight yet effective, it's the perfect styling product for anyone wanting fuller, more textured hair without compromising on softness or shine.

Like all MONDAY Haircare products, the VOLUME Texturising Mousse is dermatologically tested, pH-balanced, and free from sulfates and parabens, making it gentle enough for daily use. It is also certified cruelty-free under the Leaping Bunny programme and PETA-approved, reflecting MONDAY Haircare's commitment to sustainable beauty without compromise. Since its inception, MONDAY Haircare has redefined accessible luxury in beauty, offering salon-quality formulas at an affordable price. With the launch of its VOLUME Texturising Mousse, MONDAY continues to deliver on its promise of making every day a good hair day.

Launching In The UK Early 2026: VOLUME Texturising Mousse

MONDAY Haircare's new Texturising Mousse will be available to purchase from Boots (both online and instore across the UK) from February 2026.
